

Notes for Parent Club meeting
May 1, 2008

This was our final meeting for the 2007-2008 school year.

Principal's news:

Sue, like principals everywhere, is still waiting for the governor's budget to know about final staffing and other decisions. She reports a bond issue is anticipated.

The Media Center is still scheduled to begin construction in July.

The WASC accreditation visit was successful. Recommendations included continued upgrading of technology. The visitors also encouraged more common assessments and continued emphasis on a higher number of students taking AP classes.

Prom was a great success!

Committee Business:

Our current balance is \$3,277.70. We're awarding four \$500 scholarships, and are anticipating \$500 in support from administration for the upcoming Teacher Appreciation Lunch, which will be held Thursday, May 8.

Snack Bar, our primary source of revenue, closes May 15. Parent volunteers reported break-ins and recommend the school increase security measures over the summer to avoid future break-ins.

Also, Grad Night lost much-needed anticipated funding from the district this year. We have students who'd love to go but are unable to afford the \$100 tickets. Donations are welcomed at this point!

Have a great summer and we'll see you back here next school year!
