

Want to **ROCK** the SAT/ACT? **FREE** Test Prep for EUHSD Seniors!

Most universities require freshmen applicants to take an SAT and/or ACT to qualify for admission. If you plan to take an upcoming college admissions exam, we are offering a free SAT/ACT preparation workshop for EUHSD seniors. Students will learn strategies to earn the highest score possible and increase their chances of being accepted to their first-choice college or university. Instructor: Karla Whitaker. Parents are welcome, but not required to attend.

SAT/ACT Official Test Registration:

www.collegeboard.org (SAT Dates: October 5, November 2, December 7)
www.actstudent.org (ACT Dates: September 14, October 26, December 14)

Register online to take the SAT and/or ACT. No one is automatically registered; you must register yourself. Almost all universities accept either the SAT or ACT or will take your higher score if you take both. SAT: \$64.50. ACT: \$68. **Fee waivers available** for low-income students. See a high school counselor to see if you qualify for a **fee waiver**. If you have used an SAT Fee Waiver previously, a second one is waiting in your College Board account and will automatically be applied to your next SAT. But for ACT, all waivers must come from your counselor. If you miss registration deadlines, you are subject to late fees and/or standby/waitlist fees.
